Posey I love you with all heart and my heart is very sad with your passing. I wish I could have one more day with you here as my friend. I know how you loved bling and your angel wings will have special bling just for you! I will always remember the years of good times we had together as friends. You will always be in my heart. You have done so much for me and Parker. Your in God's peaceful arms and now you can rest in peace till we meet again.

I'll always remember going on that summer road trip to Utah and up to Canada. We definitely listened to a lot of Neil Diamond. America was my favorite song that summer. Even though I was on summer vacation, she still gave me some math worksheets to do! I'll miss you, Aunt Elisa.

Dear Lauren, I am so very sorry for your loss. I enjoyed so much reading about your dear, departed mother in this inspiring obituary. She sounds like such an amazing woman. She truly led a wonderful life and sounds like she influenced many people in our community through her work as a teacher. You have definitely carried on that legacy with your own accomplishments and teaching. Our prayers are with you during this difficult time. I hope you will find peace and healing over time. Take care. Much love and prayers for your family, Kierstin and Dane Glenn

Lauren, so sorry to hear about your mother. I didn't even know she had been ill. You are in our thoughts and prayers. I will always remember our visits at your house and being able to banter with your Mom. I hope I wasn't a nuisance over the years. Its a comfort at times like this to have the knowledge of the resurrection and the grace of our Lord Jesus Christ. God bless you.

Lauren, What a highlight to read a little about your mom and the amazing life she lived! So inspiring to read about her accomplishments as a teacher, dedicating her time to nurturing and developing young minds, pursuing worthwhile and fulfilling hobbies, and most of all, being a devoted and loving mother and grandmother. All beautiful things to aspire to! I have no doubt she is proud of all you are doing to continue her legacy. May you find continued peace and comfort in God’s love, as well as in the beautiful memories you created with your dear mother. Much love, Britney and Bennett Lewis

Dear Lauren, I just found out about your Mom. I am so sorry to hear this. We had so many good laughs at Alta and I saw first hand how much she loved the kids and teaching. Even though we have not seen each other for many years, My condolences and prayers are with you, Julia, and Eli.

She was my teacher. She taught at a school of misfits and went out of her way to show us there was a different way of life out there. She went the extra mile to get involved in my life and changed it forever. I'm truly sorry I waited to tell her what she did for me and what it meant. I hope she knows.
