

Shanna Smith

April 15, 1980 ~ November 1, 2023

Shanna’s obituary I found at the top of the page when searching for my Shanna Smith from Texas My heart breaks for you and her son Mikah She will be alive in her son and you will be blessed My daughter passed just before her son was taken by cesarean He’s 16 today and just like his Mom The first year is the worst Praying for comfort
