Dear Mom I couldn't have asked for a more loving Mother-In-Law.. I remember when I became a part of the Walkingshaw clan. We had a heart to heart talk about what I felt comfortable calling you & Dad. My 1st instinct was to call you Mom & Dad.. It just felt so comfortable calling you that & you guys have always treated me like a daughter...I will miss you so much. My heart is so full right now...Give Gordon a big Hug & Kiss from me. I'm sure you two are having a wonderful reunion. I will watch for the signs that you are near. Rest In Peace sweet, sweet angel.. Forever in my Heart.. I Love You...
