

Elisa Medina Betzer

September 19, 1952 ~ March 31, 2026

I am so sorry for your loss. Elisa was a great mentor to me when I started at Monticello. We had many long talks about a variety of subjects. She was a great educator who cared deeply about her students and always put their well-being first. Your family is in my prayers.

I worked with Elisa for many years and am deeply saddened to hear of her passing. She worked diligently for many years at Monticello and taught thousands of students during that time, helping them develop a love of math and learning. She was a great storyteller and a true example of a lifelong learner. She will be missed!

I feel grateful to have known Elisa and being part of the family. She will always be remembered for her kindness, being dedicated to do family history, and the joy she brought to me and the others. Sending love and comfort to the Betzer family.

Elisa always had a smile and made me feel special at church. She encouraged everyone to find their ancestry. She was an amazing teacher too. My heart goes out to her family.
