

Alvy M. Dorman

September 24, 1933 ~ December 2, 2020

Alvy was a man of many talents. He was in our home many times during his time living in Herriman. Alvy and I had many things in common and had good times talking even through the window of his little Ford Ranger truck that had over 1 million miles on it. We would talk about his Harley and His motorcycle days. Alvy was a great patriot and he loved his country, family, and the Lord. He will be missed in our neighborhood. We love his family and our prayers go with them during this time of remembrance of His life. Our love for his family CJ & Sherrie Lawrence

My condolences to the entire family I’m sorry I won’t be able to make it due to health issues with me and my wife I’m still at a loss for words.

Alvy was truly one of my absolute favorite seniors that came to the Riverton Senior Center. I have been employed there just over two years so I didn't get to know him as much as I would have liked to, but I loved the stories he had to tell about his adventures in the film industry and others. And yes I am a chocolate lover and enjoyed the tootsie rolls too. There is still a drawer filled with them and I will never be able to look at them without thinking of him. He is a very loving and considerate man and such an amazing soul. I am grateful too that he is now with his companion that he has so sorely missed. I loved that dad of yours, he reminded me a lot of mine. You have been amazing caregivers and I know how much he loves you and thanks you for taking such loving care of him. Caregiving is really hard but also better than that it is rewarding. I am grateful every day that I got that opportunity 4 times to take care of our parents. You will be blessed for your service. Sending hugs and prayers your way as you go through some tough days ahead.

We sure loved when Alvy came in for his visits. Sure he brought us tootsie rolls, but we loved his sweet presence even more than the treats. He was a very generous giver. We adore him and we've all discussed how we'll miss him and his stories.

Alvy’s influence was far reaching! I work at a dental office Alvy has gone to for years. We looked forward to every time Alvy would come in. We knew it was going to be a good day when we saw him on the schedule. He had the best smile and the best stories! We loved being the recipient of his tootsie rolls. We will miss seeing him❤■

Our sincere love and condolences to the Aly M Dorman family. We just love Alvy and considered him and his wife, our dearest friends. He and his wife, Marilyn, were such a delight to be with. Alvy is a talented loving disciple of Jesus Christ and a loving father and husband. The privilege to know Alvy and be his friend and know his talents was ours! We will see him again! He is in good hands with our Savior!!!

Alvy was the greatest guy to see at church. He always shook our families hand and greeted us. He was a great guy, I’m sure going to miss him at church. But it gives me peace to know that he is up in heaven with his wife.

Dear Dorman Family: I'm sorry to hear of your Dad's passing. Both of your parents were good friends to Smitty and I. I'm sure they are "talking". You are all in my prayers. Love, Dely Tanner
