

Sharon Sansom

April 7, 1946 ~ October 11, 2024

Dale and family, we were so sorry to hear of Sharon’s passing. It’s never easy to be without a loved one. Dale, we know this especially leaves a huge empty spot in your life. She was blessed to have you as her devoted husband and caretaker. May our Heavenly Father sustain you as you adjust to your life moving forward until you are together again.

Love and prayers to you and all the family.

Dear Dale and family, We send our deepest regrets and love remembering the memories we shared through the years. Sharon is a bright light! We can still hear her laugh! You two make a remarkable team - it was evident there was great love between you! Sharon was beautiful.... in many ways. Her beautiful spirit was equal to her natural beauty. We love you!
