

Elizabeth Carlyle Olsen Morris

February 1, 1935 ~ December 7, 2024

It is with heavy hearts that we send our condolences to the wider Morris family. It is so sad that we have lost in 2024 two incredible ladies in my Mum and Carlyle, who were great friends. The world is definitely not the same without them. As a wise person once said: "Grief is the price we pay for love." May Carlyle continue to live long in all our hearts. You are in our thoughts and prayers.

A beautiful person and mother to the entire Morris family. A beloved person, who will be missed. Thanks for all the support.

Carlyle made such an impression on my parents, Jill and Roger when they first met in Park City that they decided to regularly holiday there. Her warm smile and caring nature combined with her late husband, Rob's wonderful stories made them a dynamic duo. We were so lucky to know them and my family and I have fantastic memories visiting Park City and enjoying great times together. We are thinking of you all at this sad time. Lots of love, Jonathan, Tara, James and Charlotte Gunn

Carlisle is one the most amazing women I have had the privilege of knowing and caring for. She’s so easy to love and her family are Such. Amazing. People. I know that people‘s lives intertwine for reasons, it brings me comfort to have personally known this beautiful angel. Carlisle was an angel on earth and she carried with her such beauty, elegance and grace.. Her absence already leaves a hole in my heart, and I look forward to seeing her and talking with her again someday. Xoxox Val
