Amy was my flamingo soul sister, and even though we had never met in person, there was an undeniable bond between us that started over our shared love of flamingos. Amy had a big heart and had a way of making you feel special and loved. I will miss chatting with her and will forever regret not meeting her in person. My deepest sympathies for her family and friends. You are greatly missed, my dear!

Although I never met Amy she was my flamingo sister. She was one of the most kind hearted loving person that I have ever known. Heaven has gained a beautiful flamingo and I am sure she will be watching down on all her flamingo friends! With loving sympathy to her family. Anne

On behalf of Amy's Pink Feather Family, we loved her dearly and she always modeled our motto of "Kindness comes in Pink!" Most recently she and her family attended a group get together in San Diego, CA where we captured many fun photo ops amongst her treasured Flamingos and Peeps alongside her daughter Shaylee and husband, Ryan. She exuded love for everyone and especially for her close friends and family! She will be missed by all who knew her and we'll do our best to carry on that Pink Flamingo Love ■!

Amy - although we never met in person, it was wonderful having you as a flamingo friend. I loved receiving cards at my birthday and Christmas and enjoyed sending to you as well. So glad we got to know each other through our love of flamingos and hope that you are up in heaven surrounded by a whole flamboyance! Rest easy.

I am saddened to read of Amy’s passing. As a patient of Dr. Lee’s for several years I was well taken care of by Amy. She went out of her way to be kind, understanding and incredibly helpful. When she told me she had Lupus I was somewhat surprised because she was so cheerful and efficient. I send heartfelt sympathy for the loss of a great lady.
