

Sharon Wheeler Nielsen

July 24, 1943 ~ November 2, 2023

When I was about 13, me and my sisters and cousins lived a couple houses down from Sharon, we became very close with her and would visit often. She was very stubborn, but also had the kindest heart and welcomed us with open arms. I am saddened to hear the news but I will forever cherish my memories with her. Rest in love.
