- Clare and Francos Haren

There are no words to express our condolences and prayers in the loss of Amanda. We have the promise of being with her again for eternity. The loss of a child is no doubt seen as unbearable! May the Mizell family know how much they are loved !

My heart and prayers go out to Amanda’s family, and all those who knew and loved her. She was a gentle spirit full of southern charm. She will be missed but never forgotten.

Reading Amanda's obituary, she seemed like a courageous and thoughtful mother and wife who left the world more beautiful than she found it. Though words can’t lessen the pain, I hope you feel surrounded by support and love;

and I want you to know that all of your students are keeping you and your family close in our hearts. Wishing you and your family strength, comfort, and peace during this time.

I am Rainas sister. I got to meet Amanda a few times long ago and loved her right away. Ive somewhat known of her life through Raina also as she just loves Amanda as much as a sister. I am so very sorry for your family's loss. There is no way this makes sense. You all are in our families prayers.

- Shanna Bradford Klung

Several years ago I was working on a project at the Hansen home. Amanda was very kind and started asking questions about me. She soon realized that my wife’s birthday was that week. As I wrapped up my project she started asking questions about the type of flowers my wife liked. She then designed a beautiful setting for my wife’s birthday and would not accept payment. She did not know me very well .. but her kindness and generosity touched me and my family .. her talents and thoughtfulness left a lasting impression on me. I could tell that her heart was always striving to follow Christ. An amazing woman.
