It breaks my heart that this was how I found out about you passing. I will always regret not being able to know about your services so I could be there to say my goodbyes. Thank you for always being so warm and welcoming to me growing up. You always would remind me how special I am and I'll never forget your kind words and your unconditional love for me. Sending my prayers; love and condolences to your wonderful kids; grandkids; family and friends. May they always feel your presence; love; and light ■ I sure will miss you! I love you aunt Beth ■

Pam and I send our our love and prayers to you and your family. You know how much your mom meant our family. And how grateful we were able to be a part of her life. She was truly a great lady. Who love people and love to serve. I was honored to be able to be her Bishop. And serve her and her family. Our memories go way back.. Greg and I have been best of friends all these years. And we have a lot to be thankful for. I'm so sorry I couldn't be there today. But my mom and Arlene will be there. Again, know that our prayers are with you at this time of sorrow. But the beautiful thing of the gospel is that we will be reunited again. And that will be a joyous day for all of us. Love Don , Pam and family.

Dear Greg, Kathy and Family, I'm so sorry to hear of the passing of your dear Mom, Grandma, and Gigi. I loved and admired Elizabeth so much. I always looked forward to visiting with her and getting a hug at family gatherings. She

was always such a bright light and a welcome sight. I'm sorry I wasn't able to attend her funeral, but I'm grateful for the link that was provided for viewing it. I loved listening to April, Dave, and Greg tell their individual stories and memories of their dear Mom. She truly is an amazing lady. I pray your hearts may heal and be filled with the Savior's peace and love in the coming days. With Love, Karen Sumner
