I met you through work and we became friends. I knew I could count on you and your brilliance, quick wit and matching sense of humor. You were a force to be reckoned with. You will be missed. I wish you hadn't left so soon but I understand there was a plan for you. I love you and miss you my friend. May your family find strength in knowing you will be met with open arms by those that went before you. ♥■

Oh how I love this feisty, outrageously funny, strong willed girl, with the ability to bring a new, heart felt, loving perspective to mankind. She has been a force for good in my life, and I feel so blessed to be her friend. I see so much good she inherited from LuAnn and passed on to Kaedyn, but she is definitely one of a kind. Please know that I am holding all of you close to my heart and that you in my prayers. ■

Due to Amberly & my brother Blane getting divorced. We didn't get to see much of Amberly. But when my brother passed away. Amberly tried to be as present as she could in our lives and attended a lot of our family functions to support us and it meant a lot to us. We loved being able to see Kaedyn & Amberly more often. I imagine it may have felt really awkward and uncomfortable for Amberly. But she put her feelings to the side and truly showed up for us in an emotionally supportive way. I personally don't know how many divorced wives would show so much support to a family that they felt estranged from. But I think it says a lot about Amberly's character and what was in her heart. Amberly found a way to not just collectively reach out to our family. But also found a way to individually reach out to us. Amberly was also willing to speak up and say something when most of us lack such courage and choose to take the safe path and remain silent.
