

Shirlene Benson Ashmead

June 24, 1931 ~ March 4, 2021

I'm so sorry to hear of the passing of my beautiful friend. I'm happy for her that she is reunited with her John and her boys and her parents and siblings. I know so many stories of them all. She made a huge impact in my life and the grandkids we shared's life. I will always hold her in my heart.

- Deanna

She was a sweet & wonderful woman. I loved hearing her stories of her travels. I have missed getting to visit with her due to the Covid restrictions. I am glad she is reunited with her many family members that have preceded her.

I just learned of Mrs. Ashmead’s passing and am saddened by this news. Our families were neighbors here in Georgia for many happy years. I visited Brad and Johnny’s graves yesterday and have purchased flowers to place on their graves very soon. We all loved Mrs. Ashmead so much. I will always cherish the many memories our families made together. God speed , Mrs. Ashmead. You are now reunited with your family. Love, Karen.
