The most heartfelt condolence to the family of this beautiful sister whose time has come to be in the Lord’s arms. From everything I know she served her family and mankind well and lovingly in this life. What a beautiful legacy she left. The world is better because she was here. God bless her family with peace and comfort that she will be with them always and that they will join her someday. May beautiful memories I’d love abide you as you carry her with you in your hearts.

We'll always remember the hospitality and generosity Ellen extended whenever we visited the Pines. She was the kindest, and most caring person and we'll miss her, yet remember her most fondly.

Ellen was a treasured friend. We were always touched by her kindness to everyone, her love of her family and her God, and her devotion to her beloved Peter. It was a great blessing for us to know Ellen and to love her for sixty years. Each time we were together, and that wasn't nearly often enough, it was always a very special time. Most of our get togethers in recent decades were at The Pines. How she loved that Jewel of the Mountains and all the beauty and peace it offered. Ellen will be missed by many because she loved many and in turn, her love was given back. Thank you, Ellen and Peter, for a special friendship. We will miss dear Ellen. Our condolences are sent to all of her family. God bless you all. Thank you for suggesting a donation to Tunnel to Towers. It's a wonderful organization.
