

Ellie Dean Warren Pendleton

August 29, 1930 ~ January 8, 2021

I ADORE ELLIE!!!! My mother, Jane Lee taught 6th grade alongside Ellie at Viewmont for many years. A few years before Ellie retired, I also started teaching at Viewmont and quickly grew to love and admire her so very much! I enjoyed talking to Ellie on lunch breaks or after school- she always had a warm smile and a sparkle in her eye! She will be so dearly missed! My mother passed away on January 2nd and her funeral was January 8th- the day of Ellie's passing. I love the thought of them team teaching in Heaven together- they were a great team!!! Condolences to your family, Linda Coutts

Ida I'm so sorry to hear about you mom. It makes me so sad. She was such a sweet woman. I loved her and loved hearing her stories. I wish I would have been able to see her one last time. May she rest in peace. My thoughts and prayers are with you. Farrell Ellie until we meet again.

I am so sorry to hear about your wonderful Mother's passing. I am glad that she is with Keith and Dean She is happy and out of pain. You have done a good job of taking care of her. I will miss talking to her and remembering the fun things we did together. My kids send their condolences too. She would take us to school every day and put up with their craziness. We love you all. I was briefly her visiting teacher a few years ago. She was my favorite person to visit and learn from. Conversations with her were interesting, enlightening and lifted my spirituality. I am so glad she and Keith are together again. Much love to the people who loved her most.
