So sorry for your loss. Steve was a great guy. I wish I'd had more time to get to know him.

Steve was a valued Dyno Nobel colleague & a delightful person. We enjoyed many holiday parties & informal get togethers with Steve & Kay & mutual friends. His passing was unexpected & I am saddened even in view of our infrequent contact.

We are so sorry and sad to hear about Steve. Steve was loved by many. We enjoyed spending time with Steve and Kay. Kay is a beloved P.E.O sister.

You will be missed, but I know we shall meet again. My deepest sympathy to your family: Kay, Barb, Mick, Paula, Kristi, Brian, their spouses and grandchildren. May fond memories comfort your family and live in their hearts forever. You touched the lives of many and fulfilled your purpose while here. I’m truly blessed in having you in my life’s journey. Steve was such a wonderful neighbor and even better friend. You couldn’t help but get excited whenever you heard the rumble of his cars start up. Sincerely, enjoyed our driveway and garage talks and shooting the breeze about anything and everything but eventually ending up back to the age old Chevy versus Ford bias■ We will miss him tremendously, but it’s nice to know he was part of such a kind community and a great husband and father

While thinking of Steve today, I discovered his online obituary. Immediately saddened to learn of his passing earlier this year. We had not spoken for over 5 years although I had tried to contact him multiple times during that time. I worked with Steve in the mid 1990s - early 2000s while he was employed with Dyno Nobel. I worked at Owensboro (KY) Riverport storing HM cargo as we were a major storage facility in the DN network. Despite the challenges and complexities of logistics, we always had fun!! We dined frequently and even hosted Steve for a "behind the scenes" weekend at Kansas Speedway in 2004. Beef, chicken wings, and doughnuts were not safe that weekend!! Always with a smile present and a word of encouragement...Steve was a favorite client. Personally, a mentor to me. He always spoke fondly of family while he was on the road visiting our facility. Please allow me to provide continued prayers and thoughts of sympathy to his wife Kay, his children, family, and friends. Steve was a SUPER guy...may memories provide peace and comfort to all.
