There are no words that can aptly describe our condolences for you. We are thankful for God and His word to help in times like these. 1 Thessalonians states 13 But we do not want you to be uninformed, brothers, about those who are asleep, that you may not grieve as others do who have no hope. 14 For since we believe that Jesus died and rose again, even so, through Jesus, God will bring with him those who have fallen asleep. Our prayer for you is thay you experience the comfort of God and the assurance of the hope that we have in Him. We love you.

I will always remember playing drums in the band, with Andrew on electric guitar, at Grace. The times we would spend talking about how many Pokémon cards we had will always be hilarious and a great memory!
