- Larry and Sandy Stewart

I had the privilege of working with Steve at BPA and on the Hands-on Relay school Committee. He always carried a warm smile and was a friend to everyone he met. Steve consistently upheld the Church standards and lived his faith in everything he did. If someone was struggling, he never hesitated to take the time to help them find a solution. He was not only a valued colleague but also a dear friend and mentor. I will truly miss him. May the Lord bless you and keep your family in His care during this difficult time. Please know that your family is in our prayers.

Ynette, my heart and prayers haven't stopped for you and your beautiful family since Kimberly first said something was off. I'm so devastated that this was the outcome. Pleading with my might for peace and understanding to come and fill you up. You are an amazing matriarch for your family. I won't stop praying. I hope today brought beautiful memories and joy beside the pain with so many family members close beside you. All my love! Kristie

We grieve Stephen’s loss. He was a true friend and example. Please be kind to yourselves as you navigate this “new” path ahead. It will be wonderful when we are able to be reunited.
