*May 20, 1952 ~ April 20, 2024*

---

Becky and family We are so sorry to hear of the passing of Steve. My siblings and I all have so many fond memories of Steve from our childhood. Teasing, laughing, always helping and serving others. Always helping and serving in the Young men's organization. We were out of town for the funeral and just heard the news. We are sorry we were unable to come see you. Sending our love from the leavitts
