I will always retain very happy memories of riding motorcycles with Steve in the empty field behind his house, watching in awe at his magical ability to disassemble, fix and reassemble motorcycle engines, and trips to Bear Lake with his family. I want to send my expression of love and sympathy to his mother and brother Jeff.

I only new Steve a little. I painted his horse trailer and invited him to come back with his horse to go riding. I believe he had plans to do just that and I really looked forward to establishing a friendship with him. My loss for sure. My condolences and prayers for Steve’s family. What a nice man. ■■
