Betsy I met you and Kim several years ago. I am friends with Rebecca. She said worked at Danville several years ago. Kim was so kind and fun to hang with. I am thinking of you and your family today. ❤■

Geography and age difference meant Kim and I didn’t get to share many moments together, a fact I truly lament. In our limited time with each other, he showed such compassion and love. During one of hardest periods, Kim reached out with love and support. I was never able to convey how much that simple act meant for me. One memory has become prophetic After a long time apart, we meet again to celebrate. After many drinks, Kim

laughingly declared to me “Don’t remember me this way!” I can only remember Kim as one of the most caring and compassionate people I’ve ever encountered. Rest well, Kim. Aaron

Dear Betsy and Torres family, My name is Kenyon Blackhurst. I work for Executech and had the privilege of working with Kim over the last 3 years. He was a wonderful man and I was deeply saddened to hear of his passing. I consider Kim a friend. We have had many personal conversations over the years and I truly admired him as a friend, colleague, and Husband/Father as he often spoke of his family and friends. I am so very sorry for your loss. I can't imagine the pain you must all be feeling. I am traveling this weekend but will join the celebration of life virtually. Thank you for sharing this time with those of us that got to know Kim outside of his personal life. I have kept your family in my thoughts and prayers and wish the best as you grieve for this wonderful man. Sincerely, Kenyon Blackhurst

I offer my deepest condolences to your family at such a sudden and heartbreaking loss. May your sweet memories made over the many years together comfort you and fill you with gratitude for the time you were so fortunate to share together, as it’s clear Kim crafted a meaningful legacy. I recall his rendition of “Let There Be Peace on Earth and Let It Begin With Me,” sung so beautifully with his mother, which left an impression on me I treasure to this day. Much love and our very best wishes to you, from my family and I.

- Timi Willis (Reid)

I just want to say I am sorry for our loss. Kim was kind and had a great sense of humor. I remember him sticking up for me once at his house on Island view when we were kids. One of his friends made a comment about my legs when they came out of the house and I could tell he got upset and told his friend that I was just a kid. Watching Kim through my kid eyes I looked up to him. He was smart, he was always welcoming he had the best smile, and he could do anything he put his mind to. I will miss my cousin dearly. Just knowing he was here on earth with us made this world a better place. He led by example, showing us all how to be kind, how to love and how to have humor in

everyday life.
