

Eric Matthew Heinz

January 2, 1993 ~ November 23, 2022

I am so sorry for your tragic loss. Eric and I had some positive interactions with the USD Utah alumni chapter. He had such a strong passion for many things. He will be missed.

Dear Tricia, Ron, Ronnie, Addy and Nate, We are sending love and prayers to all the Heinz Family . We have many fond memories of our families when Eric was a baby and a toddler in Virginia. We were so happy to reconnect last year in Park City and to see what a wonderful young man he had grown up to be. Love, Mary Ann, Mike , Kathleen , Megan and Erin

Eric was such a lovely person to grow up with. It was an absolute treat to share many sweet, joyful, fun, playful, funny moments with him, I will continue to cherish these memories. Sending you and your family my prayers, my condolences, my love and a lot of tenderness and rest.

I am genuinely still in disbelief by this disheartening news. Eric was a childhood best friend of mine and I have many memories running around as children and visiting each other and his parents being so kind to me as was Eric. Growing up in the years we grew apart but he always remained incredibly kind and in the random moments we interacted it was always fulfilling and lovely speaking with him. I am still lost for words and processing this information, but I want to send my love to his family, friends and acquaintances.

Eric was always the ray of sunshine I needed on a rough day. He always knew exactly what to say to cheer someone up. He challenged me to think in new ways and helped make me a better person. He will be miss but whenever the sun comes out, I know he'll be there shining down on us. My thoughts & love are with you & your family.

Please accept my condolences on the passing of Eric. My thoughts and prayers are with you today and in the days to come. Eric was a student of mine at Juan Deigo Catholic HS and also a member of the track and field team that I helped to coach. Since 2006 I have been a member of the Huntsman Heroes running group raising funds for the Huntsman Cancer Foundation. Yesterday I made two donations in memory of Eric. One is on my personal fundraising page and the other was part of a 2X match gift. The donations will be allocated to research in Leukemia and Lymphoma. Praying that you feel the peace that only comes from Jesus Christ as you navigate the difficult days to come.

I worked with Eric across from the ocean in UK. We always spoke of meeting each other whenever we got a chance to visit. He was very different to the corporatized mindless work being. He had real life energy about him and was so charming and friendly to engage with. We both worked in a very stressful environment but we would cheer eachother up and always talked about the universe and greater meaning to our life. He was a warrior in mind and body and always spoke of living with purpose and integrity. We would catchup over the phone on random evenings and I would always enjoy our deep conversations. I miss him dearly and I pray for him and will always mention him when I speak with God. I'll see on the other side one day, Brother. We can then finally meet.
