Lawrence A. Reichenbach

May 3, 1934 ~ February 13, 2015

How sad I am to learn of Brother Riechenbach's passing. I have so many wonderful memories of time spent at the Reichenbach home as a youth. The spirit there was so joyful and comforting for a young woman learning her way in the gospel. I always felt accepted and welcomed each time I came down from Oscoda for a stake youth or conference weekend. President Riechenbach and Sister Reichenberg are heroes in my life and I am so grateful for their love and kindness.
