What a touching tribute. What great memories you have, may you treasure them always.

- Grace Jeffers

Angela has left us with such joy when we think of her. Such a warm and loving person. Although we did not share time in resent years, she will always be in our hearts . Memories never fade . All you need do is bring her to mind , and a smile appears. Thank you for being in or lives here on earth for the time you were. Love you Angela always.

Angela’s obituary is beautiful. The pictures are priceless. She will be the best guardian “angel” for her children. She will be greatly missed by her sweet family. My love to all.

Angela or Angel (as we called her when I first met her) was my roommate back in 1995 when I married her cousin Matia. We had an extra room and she needed a place to live and we couldn’t have found a better person to share a house with! So many great memories, she made me my favorite pants, crushed purple velvet pants that I still cherish, she made Matia’s wedding dress and we made so many great memories. Later she adopted Fuddy our bulldog who I am sure welcomed her in the next life. She is an artist, friend, mother, daughter, sister, cousin, one of a kind soul and had a smile and laugh that will never be forgotten. You are missed and loved.

Shea, this is a beautiful tribute to your wife. I hope you and your children feel surrounded by so much love. Praying for you and yours at this tender time. “Only people who are capable of loving strongly can also suffer great sorrow, but this same necessity of loving serves to counteract their grief and heals them.” -Leo Tolstoy
