To know Terry is to know a smile and a fun time. Working together as teens, to helping me pick the perfect gift for my bride 28 yrs ago. Terry brough a happiness and joy to everything we did as kids, neighbors and classmates growing up. Terry's will be a smile I look for when I get to the other side.

Paulette and family, Bill and I have so many wonderful memories of Terry and you. I can still remember going to the Christmas lights on Temple Square when we moved to Utah. The hours chatting and hanging out . Terry loved everyone and never met a stranger. Please know that he made a difference in the world. What an honor to count you as friends. Our love Mary and Bill Andolsek

I want to let you know how much Terry will be missed. Terry was my friend and my roommate our Freshman Year at Rick’s College. I have kept up with Terry over the years. I found out of Terry’s passing when I tried to call him and none of his numbers worked. My life has been blessed because he was in it! Godspeed Terry you will be missed. So sorry to hear of Terry's passing. He was a great guy to be around with a ready smile and a always a joke or willing to give you a good natured ribbing. We enjoyed being neighbors with the Becksteads for several years when we lived in the Sugarhouse neighborhood near them. My heartfelt condolences to Paulette and the family.
