Esther was a wonderful person. I'm glad we got to be part of her family when our son, Ken Bonza, married her daughter Toni. She was always welcoming and had a good sense of humor. She will be missed.

My sincerest condolences to you and your family on the loss of your beloved mother. There is a strong resemblance between you and your mom. I believe that she will live on in your heart, and I hope your memories of her will bring you comfort. What a blessing that you were able to spend her last days on earth with her. You are a

wonderful daughter to your mother. Sending comforting thoughts and prayers.

When Jody would speak about her Mom it seemed like we all knew her personally. When I see her beautiful pictures here, I can really see her mom in the conversations now. Jody and her sisters (and extended family) were very blessed to have a loving mom that showed them and everyone else they mattered. For someone to leave your home and not be hungry is an amazing thing!!! Food speaks the Universal Language!!! Your family is in my thoughts and prayers in this time. May God pour out His Blessings and Comfort in the days to come.

What a beautiful memorial for Esther, the head of a loving family who cherished her. Her warm smile, which she passed on to her children and grandchildren, will be in their hearts forever.
