

Anita Marie Deakin Isbell

July 26, 1927 ~ December 13, 2023

Dear Lynda and family, I was sorry to hear about Anita's passing. I can imagine the happy reunion of our sweet mothers on the other side where they can laugh and run together once again. What a treasured relationship they had. We have appreciate our association with your family and wish all of God's blessings upon you at this time. Love and prayers, Clark, Jennett, and Tyler Labrum

My sympathy at the passing of Anita. I was tge recipient of one of her dish clothes that I watched her make. Such a warm and friendly person. May God's love be with her family at this time.
