

Thomas Harold Carn Jr

October 26, 1932 ~ October 6, 2025

Sorry to hear that Tom died. He apparently had a long and successful Life. I have fond memories of the times my brother Don and "Harold" and I spent doing things like building bugs. Don just died recently. They both had a long and fruitful life. I remember Harold and Dorothy and Don and Gayle used to get together. I'm sorry we lost touch with each other. My condolences to Dorothy and all and may Tom "Harold" rest in peace. Regards, Cousin Duane and Kathleen Carn, Marion, Utah
