Dear Gary and Family, Please accept our sincere condolences on the loss of your dear Mother. Michael and Nina Backus Sandy, Utah

- Michael Backus

Kim, Shortly after Boyd and I were engaged, we went up to Sandy so I could meet his family. While there, Boyd brought me up to your place, then you and Boyd left me in the tv room with your dad. Faye came home shortly after that and we got acquainted---I loved her immediately. Such a sweet and personable woman. I always enjoyed my visits with her. My condolences for your loss. You surely will miss her. Denise Cook
