I had the great luck and wonderful pleasure of meeting Tom, for the first time over 40 years ago. Since then, during those some 40 years, Tom and I came to have shared interests in the beer business, in governmental affairs, and in more recent years, the fine arts. Tom was a great friend to me and I am so very very sorry that we have lost such a great man. My sincerest sympathies to Linda and Tom's extended Family and Friends. Jay F.
