I am so sorry to hear of your mom's passing. Rosalie and I visited with her many times and we both thoroughly enjoyed her. She was a sweet, wonderful woman, we will miss her dearly. Elaine wolf .

I am thinking I owe a thank you to Ann Harenberg for raising the Missionary son who baptized me. Hope I've found the correct Randall Harenberg! Good family efforts that I've been blessed by. Enjoy your blessings all, 2083600438
