# Jerri Lynn Oborn

*April 30, 1948 ~ November 10, 2019*

---

It seems impossible that a year has slipped away. It has been such a tumultuous year. It is my hope that Jerri is at peace with her family and forbears. I have always hoped that the sons and daughters of our Heavenly Father find each other in Heaven, even though they did not meet on Earth. My parents, Samuel & Eileen Smith, both deceased, loved Elder Oborn and certainly would have loved to meet Jeri. He really was like a son to them and was always welcome in our home. Jerri's husband, Herbert Oborn, Elder Oborn to me, baptized me in September of 1962 at Hyde Park Chapel, London, England. After his mission, I accompanied him to Paris, France for a post mission trip. If this is read by Jeri's family, please ask Elder Oborn to contact me at 1102N. Purple Sage Way, Eagle, ID 83616.
