Oh Mom....I am thankful I was able to spend a couple of your last days with you holding your hand. I must stare at the obituary 5 to 6 times of day. I know you are no longer in pain and you are at peace. That makes me happy. The thing with death is it is so permanent. Knowing I will never hear your voice, never have another hug, never see you smile. I hope your journey was smooth as you received your angle wings. I hope you are enjoying the time you have to catch up with your family that passed before you. Love, Shawn & Bobbie Lund

- Shawn & Bobbie Lund

Sheila, your Mom was always so sweet and kind. She always greeted me with a smile and so welcoming into your home! I know your heart is broken and for that I am sorry! Please give your Dad a huge hug for me. Blessings of Love Peace and Comfort for you all as you grieve her from this journey. I love you!!

- Merlynn

Brent and family, I'm so sorry for your loss, my heart goes out to you all. When I think of Ann, I automatically picture her in her kitchen baking or cooking. She also made the best bread in town. She was a huge part of my life while growing up. I would see her almost every morning doing grandma's hair while having a cigarette hanging out of her mouth. I never knew of a time she wasn't willing to help me or a family member if they needed her. She was an extremely caring person and I'm going to miss her dearly.

- Laura Bachman

My sweet momma! I am not sure how I can go on without you, Thank you for teaching me to be a strong independent woman. I am so grateful I was able to spend so much time with you. We sure shared many laughs and tears . Love you momma!!!

Take care of my grandson, enjoy grandma, Pappy, uncle John, aunt Janice, aunt Ola and Nedra. I can not say goodbye so I will just say see you in my dreams. Love you mom Love "B"
