

Vern Roland Grow

December 2, 1931 ~ August 16, 2021

Many fond memories of Uncle Vern. May peace be with you Aunt Janice. Would you like a Rememberence journal?

- Gina Christopherson

I've had the pleasure of working with Kevin for more than a decade, and I've never met a kinder more Christ-like person. He has always spoken so highly of his parents and the love he has for them. Its obvious that Kevin became the person he is today because of the influence of good parents and a Christ-centered home. Because of our beliefs, I know there is peace in Vern's passing and the knowledge of seeing him again. We are keeping the Grow family in our prayers and as you grieve the loss of a wonderful man, and continue to grieve the ways you miss him in your day-to-day lives. Sending you love from me and all of Kevin's co-workers. Kami Asay
