So sorry for your loss. Ann was a great lady! She will be greatly missed. Isn't it nice to know though, that she is not far away and still watching over you all?

Ann and I were born on the same day and year. We were Murray High School friends and have continued our friendship for all these years. She was such a talented, kind, fun friend. I also know that she was a fabulous mom, grandma, and great grandma. Despite her poor health the last few years, I know she was always positive and hopeful. We will miss her! I send my condolences and prayers to Ann's entire loving family. So happy to have been her friend - and sometimes competitor!
