Dearest Ciona, I'm so saddened about the passing of your sweet Mother. I have been so fortunate to have met you volunteering and spending time with both of you on many occasion's. I'm so thankful to have seen her just one week before she passed and she was so worried that I needed a sandwich because I had just got off work. In fact, every time that I have been to your home, both of you have treated me like royalty. I would just sit and watch, amazed at the care and concern you showed your Mother. She couldn't have asked for a better daughter than you Ciona. Please know that my prayers and thoughts are with you Ciona. Both you and your Mother have been a gift to my life.
