

Florence Knight Lundwall Wolters

July 21, 1934 ~ April 25, 2026

My condolences to you and your families. I will always remember my dear friend and neighbor for many years. I admired her very much for many reasons… she always kept a beautiful home and yard. I especially appreciated her sharing the wonderful pears from her yard. I know she is in a happy place together with her husband Ralph.

One of many treasured memories of Aunt Florence is the times I got to see her when we were serving in the temple together.

My deepest condolences to Scott and Anne for your loss. Aunt Florence was a sweet soul who possessed the pure love of Christ. She accepted me with open arms when I lived with the Wolters many years ago. She was my second mom! I love her and know she is happy with her sweet husband Uncle Ralph. May the Lord bless and keep you in your time of sorrow, for in Him, ALL things will be made anew.

To: Anne, Scott and Family. What a blessing it was growing up in a neighborhood with people like Florence and Ralph Wolters! Your mother and father were like second parents to me. Your mom was the epitome of love, kindness and consideration. My mind is flooded with memories of growing up on Charlton Avenue with Florence as a role model and influence for good on the Sandberg boys, Neil and Craig. Life was much simpler then, but having good friends that we could play softball with in the vacant field across the street or playing tennis against the

outside wall of the church, life was good and I have been made a better person for knowing and being influenced your mom and family. I extend my love and deepest condolences during this time of sadness but also of rejoicing and of great reunions on the other side of the veil. I'm sure you're mom and dad are so happy to be reunited, along with countess other family members. Thanks for your friendship over the years and may you all receive comfort and peace during this sacred time in which we celebrate the life of your mom. Take care and my love to you all! Craig

I lost my own mother at the age of 94. I know how difficult it is for the family. We loved her dearly as I’m sure you all did too. Our condolences to all of you. Love, the Lambsons

Florence was my cousin. My Dad was her mother’s youngest brother, James Rodney Knight. Florence and I stayed in contact with a yearly Christmas letter. She was a dear sweet lady and will be deeply missed.
