

Von Tallon Olsen

May 14, 1962 ~ August 9, 2021

I am truly saddened to learn that Tallon 'Tally' has passed away. It goes without saying that this is way too soon. I had the pleasure to have Tally as a brother in-law for several years. I will never forget his creative and artistic talent along with his great eye for detail and the level of concentration he had when working on a project. I think the greater beauty about Talley that I remember is; he was full of passion. He was very passionate about life, he was passionate about his beliefs and most of all he was passionate about the strong love he held for his family. Those are the things that come to mind now and will always come to mind when I think about Tally. I want his to family to know that I am thinking of them and I know this has to be an extremely difficult time for them and I send my sincerest love.
