So very sorry for your loss. Jake always made me feel welcome and part of the family. Love, prayers and hugs to your family.

I worked for Jake in the early 70s, he was a great influence on me and helped me and encouraged me to continue on a quest to open my own Auto Parts store and Machine Shop, I truly loved that man and respect him immensely, I can’t wait to tell him to his face on the other side of the vail. God bless that Family.

Wilford will be missed. I will always remember the car parts he gave me when I was a student at BYU to fix my old car. He was very kind and had a great sense of humor.

I loved Uncle Willy, he had a big impact on my life. Our thoughts and prayers are with and for the family. Please give aunt Barb a hug for me.

- Paul & Mary Minardi

Sending our sincere and heartfelt condolences to the Jacobsen family, and all those who mourn the loss of Wilford's light in this world. Having had the opportunity to work side by side with his daughter Ann we must say that the parenting lessons of perseverence, integrity, and passion for making the world a better place shines through every day, in every interaction she has with others.

Aunt Barbara, Bill, Tom and Ann. We haven’t been in touch for many years but I always have fond memories of you all. I remember when I worked for Felt Auto Supply 50+ years ago Uncle Wilford was known as Jake the Snake From South Salt Lake. At 73 I don’t have too many aunts and uncles left. Life goes on. I wish you all the best in health, happiness and prosperity. If we don’t make it up please forgive us as we are recovering from a nasty bout of Covid. Love to you all.

Wilford was my favorite Uncle. I loved, as a little kid, visiting that tall slim man who always had a smile and always had nice things to say about everyone. It was a joy and privilege to have known him.
