

William Allen Spencer

June 23, 1936 ~ December 3, 2020

I am sorry for your loss. A wonderful man that touched so many lives. God Bless you all.

I was introduced to Bill Spencer and Biathlon from my Father Rune Wallin. Bill and Dad guided me in the finer points of Biathlon. Through Bills tutoring I was able to excel and really enjoy Biathlon for many years. After my competition years ended I became the President of Utah Biathlon Club. Bill helped me so much as we put on races at Jeremy Ranch, Park City, and Camp Williams. He was such a wealth of knowledge in how to put on successful events. It was so much fun working with him on a national level and the local level. Judy and Bill are the personification of grace, etiquette, and true friendship. Thank you so much from all the Wallins
