I am so very sorry for your loss. There are no words to express the deep sorrow you're feeling. Know that many people loved him and his family and you, his parents as well! Marla

If the people we love are stolen from us, the way to have them live on is to never stop loving them. You will ride with me forever …..Tom

Im truly not sure what to say but my thoughts and prayers are with your entire family. I was lucky enough to have worked with Wil and it was easy to recognized his genius and creativity. There only thing hard about Wil was keeping up with him walking or talking.....he made me smile. Heaven gained an angel but he will always be with you. God bless

Our hearts break for you over the passing of Bill. While we remember him as a young tow-headed boy, you always spoke of your pride in his accomplishments the times we were together. Your wonderful memories will keep him close in your hearts. Ron and Sue
