

Anna Bauer Schulz

September 5, 1925 ~ May 28, 2022

Anna taught me thru her wonderful example of kindness, perseverance, strength and service. Our friendship with her is a blessing and her warm smile and kind words are missed. Our love to her family.

Tante Annie. I love you and always will. I have thought about you so much these last few months. An ache and a longing. You were always so loving and kind to us as children and adults. so smart and kind. May you be joyfully reunited with my grandmother and your siblings. So much happiness in store for you there! I know I will see you again in the next life.

To Joerg and family. I am so sorry to hear of Tante Anna's passing. I loved her so much. What a wonderful woman she was. Spent so many times at her homes in SLC, Holiday and Sandy. The breakfast was always my favorite, coldcuts and various cheeses. Such wonderful memories. Sending prayers for all.of you at this time. Love you.

Tante Anni, I'm so grateful you were there for my mom when she lost her own mother. You have always been so kind and happy and leave a great legacy for your family. I'm so excited you are once again with your beloved family members and you finally get to meet your earthly mother. Tell Omi "hi" for me and that I miss her. Until we meet

again....

I met Anna a few years ago thru my friend Rosie who was friends with her Neighbor Gregg. I am German too. Native German. What an amazing Lady. When my Parents came to visit me, I took them over to meet Anna. I live pretty close. I wished I had gotten to see her one last time before she passed. Rosie & I were sure she'd turn 100! She was always so happy when we came over, always had a smile on her face and had a good sense of humor. My Parents too loved meeting her and getting to speak German with her. So sad to hear about her passing! She was truly an inspiration. Diana

She was one of the sweetest people I had the pleasure of knowing. She accepted me no matter what. Such a kind warm heart. She is missed.
