

## Annabea Wayman Anderson

*May 4, 1922 ~ August 14, 2021*

We also talked about Murray High school where we both went. My grandchildren loved to go visit her and play with her toys she had. She was so unselfish and if someone needed something she would give you anything she could. She was such a Christ Like woman and she will be an angel watching over her family especially her dear sweet daughter, Karen, who took such great care of her. She told me many times how wonderful her daughter is. I am so grateful for everything Annabea taught me. Much love to all of the family members.

We are so sorry for your loss. Annabea was such a wonderful example to me. I loved sitting with her and read her poetry and the song she wrote. She had an amazing sense of humor and we would laugh all the time. She loved Hershey's kisses with almonds in them and it was so fun to surprise her with Kentucky fried Chicken. She was a great record keeper and I would love to sit with her and see her posterity. She was an amazing woman and we loved her so much.

I love my mother so much! "Mother dear I love you so! Your happy smiling face is such a joy to look at. It makes home a lovely place". Our home is empty without you. I am too young to be without a mother. I miss you so. Everything I did for you was always followed by a "thank you! Thank you! Thank you" When I would give you your breakfast you would always say how good it looked. This hole in my heart hurts. I love you!
