

Gary Elden Gottfredson

April 7, 1935 ~ January 23, 2026

If, well when I leave this planet, I hope I can be remembered the way that Gary is now. I was lucky enough to know him over a lot of years by my association with Dunford Bakery. I was just proud to have my name associated with the excellent company he and John created. It was no small task. Talk about resurrecting a business from ashes! I remember making chocolate doughnuts at the bakery on 9th & 9th, never knowing how big it would become. When I left, and started working for Westco, I was always proud of dealing with John and Gary. They were exactly what a good customer could be. More that a business associate, Gary was just a great person. The bakery world, no, THE world will miss a genuinely GOOD MAN.
