My thoughts and prayers are with you all during these hard times

You don't know me, but I was so touched by the tragedy of your beautiful daughter's death. Just by looking at her, I can tell she was a joy in your lives...in the lives of her precious child and her friends. So many heartaches are caused by others' carelessness or inattention to the car they are driving. I pray that the dear Lord will send you comfort in the memories of how your lives were blessed by her presence and how she was blessed by your care and love.

Annie was such an amazing person I may not have been close to her as many people were but every time I seen her she was so bright and full of love. She will be truly missed her smile really knew how to cheer anyone up. I'm glad I was able to know her in this life. I'm so sorry for this tragedy
