Larry Saracino

August 31, 1937 ~ January 31, 2020

Larry was born in Price to Ralph and Anna Saracino. For all who knew him, the world will never be quite the same. On Friday, January 31, 2020, Larry passed from this life at home with his beloved wife and his lil pups. This is exactly how he would have wanted it. It is hard to describe someone who seemed bigger than life. He loved the same as he lived, with a heart and giving nature that touched so many people's lives. He meant so much to so many, and if you were friends with Larry, you were family.

Larry started working from a young age on his family's farm in Carbon County. He worked in many professions from a restaurateur to bus driver. He received his Real Estate license in 1962 with Tony Saracino Real Estate, then in 1965 moved to A.R.M.S. Real Estate and later started Prestige Builders and Future Real Estate in the 1969. He later got his Real Estate Brokers license and started a branch with ERA Real Estate. He also worked for Wardley Better Homes and Gardens and Coldwell Banker during his career. As a hobby, he drove the airport shuttle up until he was 81. He loved interacting with all his customers and sharing his stories.

Larry was an avid poker player and was always up for a good game. He loved fishing, telling off colored jokes and long conversations with his grandsons about the facts of life. He was never in short supply of good advice. He always looked forward to family gatherings where no one would ever go home hungry!

Larry had menagerie of pets from dogs, cats, birds, rabbits, chickens, hamsters, guinea pigs, exotic fish, reptiles, ferrets, and a pet racoon.

He always took the time to share his love for his wife, his family, and his friends. In our hearts and lives, his memory will remain forever.

Survived by his wife Connie; children Larry Jr. (Sherry), Cynthia, Alicia (James) Hadlock, Brett (Jennifer), Mandi (Mike) Pappadakis; 15 grandchildren and 9 great-grandchildren; brother Dan; sister in-law Betty Williams; brother in-laws Frank Miner, Gene Miner; and numerous nieces and nephews.
