Patrick Timothy White

September 29, 1968 ~ July 31, 2016

Our beautiful Son, Brother and dear Friend, Patrick completed his mortal mission on July 31, 2016. Patrick Timothy White was born on September 29th, 1968 to Frank A. White and Patricia A. Flitton. From a young age Patrick had a wandering spirit and loved new adventures, from working on a boat out in the Bering Sea, to a lumber mill in Oregon. Patrick lived in many places throughout his life including Seattle, San Diego, San Antonio and Alaska.

He was a free spirit that had an incredible work ethic and the most hilarious sense of humor ever found. His jokes and old time sayings could keep you laughing even when you weren\t in his presence. Patrick was a gentle soul and he was a very sensitive man often questioning why this life was so full of hurt and pain. Patrick never met a stranger, with his easy going disposition and outgoing personality he was easy to love. Patrick was an advocate for the underdog and generous to a fault. He faced a lot of challenges and struggles here upon this earth, but always overcame them with a positive forgiving spirit and he could never hold a grudge.

Patrick was an amazing cook, he loved his Mt. Dew , motorcycles, classic hot rods his time spent studying scriptures and above all music. There was never a song Patrick didn\t know the lyrics too whether it was country, classic or rock n roll and he was truly a gifted musician. Patrick enjoyed fishing, camping and any activity that involved spending time with his family and friends. He cherished the time spent with his nephew\s, and his niece\s and spent countless hours telling all of his colorful adventures in great detail.

Patrick is survived by his mother Patricia, brother\s Darrin and Eric and his sister Georgia and his nephew\s and niece\s Jennie, Arrin, Alisa, Christian, Elizabeth, Adrienne, Sarah, Manar and Anna. We are so sad to see you go, but we rejoice in knowing your spirit is finally free.

God grant me the serenity to accept the things I cannot change, the courage to change the things I can and the wisdom to know the difference.
