SheriAnne Dickerson Holtry

March 6, 1968 ~ July 16, 2016

SheriAnne Dickerson Holtry, 48, returned to live with her Heavenly Father July 16, 2016. Sheri was born March 6, 1968, in Bountiful, Utah, to Dan and Barbara Dickerson. The youngest of 8 children, Sheri was known for her infectious smile. The room lit up when she entered. Like a magnet, everyone was attracted to her beauty, kindness, caring attitude and consideration for all. She always wanted to look and give her best in life. She had a love for music and could play the piano and several other instruments by ear. Sheri loved the beauties of nature, and tried to capture every moment with her photographs. Sheri was always easy to forgive and had a charitable heart. She loved to be the hostess and loved making desserts. Sheri was spontaneous and adventurous. She was a valiant missionary in Germany and loved the Lord and served Him with all her heart. She always saw the good in everyone and made them feel valued and cherished. Sheri complimented everyone in a genuine and sincere way. When you were around her you wanted to be a better person. She was sealed to Greg Holtry in the Salt Lake Temple. Sheri loved and adored their two daughters, Shelise and Lindsey. She wanted to give them the world. They were everything to her. Sheri will be missed by family and friends.

Sheri is survived by her husband, Greg Holtry and two daughters, Shelise and Lindsey; Dan and Barbara Dickerson; Mitchell Dickerson, Julie Ann Fallon, DaeAnne Hunt, Mark Dickerson, SueZanne Rankin, Matt Dickerson, Monte Dickerson and their families.
