May we add our sincere sympathy to that of the many who knew and admired him. He will be long remembered for his steadfast service to his host of friends and to the community.

- Arthur Connole and Roger Connole

Thanks for the memories! We had so much fun spending beach and ocean time with you both. Maybe the reason we got along so well was the shared "firmly stubborn" streak. DeNece, I'm here anytime you need me. I pray for you to feel peace and comfort. Love Lana

- Lana L Warner

I have fond memories of working with Arlen on the SLCPD. He was a good officer and a great person. Few people had Arlen’s sense of humor and he could usually bring a smile to those around him. RIP Brother!

- Michael Fierro

The world is sadder place with the passing of this fine man. He will missed but he will never be forgotten by those that had the pleasure to have known and loved him. Maurice Brophy &Family, retired LT SLCPD

- Maurice brophy

Wolfie! I am heartbroken to learn of your change in station. However. Joyful for the great memories that you taught me as a punk kid some 20 plus years ago when i came aboard the Phone Company Crew in SL Main. You taught

me so many things, not just fixing lines, but helping people. Thank you for the kindness, teasing and help you gave to me! Thank You Brother! James "Wonderdog" Erickson

- James Erickson

Arlen and I met when we joined the police department and we became close friends immediately, even though he referred to me as an east side snob. We maintained that friendship even when we both decided to do other things. Over the years I have enjoyed going on scuba diving trips with Arlen and DeNece and will always have fond memories of our time together. I will miss you!

- Mark Eggen

We have not seen Arlen for many years after we retired in 1996 and moved to Redding Ca.. He is the one who introduced us to Redding after he left the SLCPD. We would not be living in this beautiful place if we had not visited him here. We are still living out in the country outside Redding. In fact I think the last time we saw him is when we ran into him at Blue Lake during a dive. We heard someone yell his name and met underwater. He was a good friend for many years. We are happy to hear he had a great adventurous life. Bo & Pam Grimes

Arlen and I became friends in March 1973, when we were entering the Police Academy. Our Academy class consisted of five SLCPD rookies, plus a couple dozen outsiders from different agencies. Being a small class, offered us the opportunity to get to know each other really well. Arlen was always very friendly, funny and happy. Arlen was always a joy to work with, and was missed when he left the PD. Thankfully we were able to stay in touch over the years. Arlen will be missed by his many friends and family members. R.I.P. Brother.

- Jon Campbell

We're thinking of you almost every minute, DeNece, but we are staying away from crowds because Fred has some health problems right now. I pray you will continue to feel peace and comfort and memories of the beautiful love you shared. We love you and will watch the service.

I'm sorry to hear of Wolfes passing. I worked with him on the PD during the days he was working Vice. He was a good cop and I enjoyed working with him. He was friendly, and a good guy. Again I'm sorry for your loss.

My condolences to your family on Arlen's passing. I met Arlen in 7th grade when my family moved to Granger. I was a strange new boy in a new place. Arlen was the first one at Valley Jr. High to welcome me and befriend me. I admired Arlen for his kindness and his boldness, some of which rubbed off on me. I was never timid when with Arlen. I list touch with him after high school. In the early 70s, I was in the police academy , having been hired by the SLCPD. One say I was assigned to Go on a ride-a-long with an experienced officer. Arlen and I were both surprised and glad to meet like that. We were each surprised that the other had found our way into law enforcement. I am grateful for this opportunity to share my thoughts with you. God bless.

I just heard about Arlen's passing, and I just want you to know how sorry I am. I grew up on the same street as Arlen, and I remember when he and his siblings moved into the neighborhood on Lee Maur St. We had a lot of fun times! I still remember the trampoline. This makes me so sad, but I was so happy that I was able to see him at our high school reunion a year and a half ago. He was the neighborhood boy all the girls had a crush on. Arlen will always have a special place in my heart, along with the rest of his family. DeNece, I was so happy to have met you at the last two high school reunions. You seem like such a wonderful person and Arlen seemed so happy! Again, I am so sorry for your loss. All My Love, Michelle Rogers (Royer)

When I was with the Sheriff's office I had just got off the elevator heading out to my county car when I saw Arlen standing at the SLCPD desk in a SLCP uniform , Arlen looked at me I immediately stopped and without any que we both said at the same time "Granger High" After we got the surprise out of our system we talked-about Granger told me that Curtis Muramoto was an officer who had just walked in the office. I'm sorry to read about Arlens passing and my prayers and condolences is with you the family of Arlen.
