Grandma, I love you. Please give Grandpa and Dad the biggest of hugs and kisses for me. Thank you for being so loving, caring, and the most genuine human being. Sorry I couldn't have seen you one last time to meet my wife, Emma, and your Grandson Logan. He will definitely know how amazing you, Great Grandpa Dean, and Grandpa Stu were in this life. Love you for time and all of Eternity. Sincerely, your Sweetie Pie, Joshua.

Grandma, I am truly grateful and proud to be your grandson. I cherish every moment spent with you and grandpa since the time I was your "little doll" running around, making messes with my crazy brothers and sisters in your house of glass and white carpets. Thank you for always being a beacon of what it is to be a genuinely good person for me. You are someone I will always hold dear and look up to. You were a true saint throughout your life and will fit right in amongst the angels. I will miss chatting with you on Saturdays but I'm sure you have a lot of catching up to do on the other side. We love you Grandma! Forever your Doll, Brad
